Six Articles of Faith

The creation of Adam, life in Paradise, and Adam's life on Earth

Six Articles of Faith

- 1. Belief in Allah: There is only one God, Allah. He created everything, and only He deserves our worship.
- 2. Belief in angels: Allah created angels from light. They always obey Allah, and different angels have different duties.
- 3. Belief in Allah's Books: Allah sent revelation to His messengers, including the Tawrah, Zabur, Injil, and the Qur'an.
- 4. Belief in Allah's Prophets: Muslims believe in all the messengers Allah sent, including Nuh, Musa, 'Isa, and Muhammad.
- 5. Belief in life after death and the Day of Judgement: Everyone will be brought back to life, and our deeds will be judged by Allah.
- 6. Belief in qadar (destiny): Allah knows and has written what will happen, while people are still responsible for the choices they make.
